30		Welcome and introduction										30										30	
45		PS 111 My top 5 (landmark trials that changed the course of IR)										45		FD 311 – Welcome and Keynote lecture		SOA 312 Advanced technologies in IR		SOA 313 Women's health		MC 9 Interventional oncology		MC 10 Nerve blocks and sedation in IR	
09:00												09:00		FD 321 Perspectives of the image guided surgeon								09:00	
15												15										15	
30												30										30	
45												45				HTP 322 IR in portal hypertension		DD 323 Stroke thrombectomy				45	
10:00		DD 121 Interventional oncology in renal cell carcinoma		DD 122 Emergency embolisations		MC 1 Portal vein interventions		MC 2 Paediatric IR for the adult IR				10:00		Time to tour the IR museum								10:00	
15												15		FD 331 Interventional neuroradiology								15	
30												30		FD 331 Interventional neuroradiology								30	
45												45		FD 331 Interventional neuroradiology								45	
11:00		SOA 131 Locoregional therapies in HCC		SOA 132 Advanced techniques in CLI		SOA 133 New frontiers in pain management						11:00		FD 334 IR Juniors and UNITE collaborative		SOA 332 Trial updates		SOA 333 Pulmonary venous thromboembolism		MC 11 Interventional oncology		MC 12 Complex vascular access	
15												15										15	
30												30										30	
45												45										45	
12:00												12:00										12:00	
15												15										15	
30		Industry Symposium								Industry Workshop		30										30	
45		Industry Symposium										45										45	
13:00												13:00										13:00	
15												15										15	
30		PS 151 Graham Plant Lecture										30		SB 351 Poster Prize Winners								30	
45												45		FD 363 Professional journeys in interventional radiology		DD 361 Visceral arterial interventions		HTP 362 Modern day IR practice				45	
14:00		SIRNR Symposium		SS 162 Peripheral arterial disease		SS 163 Interventional oncology						14:00										14:00	
15												15										15	
30												30										30	
45												45										45	
15:00												15:00										15:00	
15												15		Closing remarks								15	
30												30										30	
45												45										45	
16:00												16:00										16:00	
15												15										15	
30												30										30	
45												45										45	
17:00		SS 181 Embolisation		SS 182 Miscellaneous								17:00										17:00	
15												15										15	
30												30										30	
45												45										45	
18:00												18:00										18:00	
15												15										15	
30		QS 191 Quiz session										30										30	
45												45										45	
19:00												19:00										19:00	

targeted audience session

industry led session

session for all audiences
