

GUIDELINES FOR ABSTRACT SUBMISSION

Thank you for your interest in submitting an abstract for BSIR 2026. Before submitting, please read the following instructions carefully:

Deadline for abstract submission is **7th May 2026** (23:59 GMT).

General information

- All abstracts have to be submitted online through the **official BSIR 2026 abstract submission system**. Abstracts sent by email will not be considered.
- All abstracts must be submitted in English. Abstracts will **not** be **language-edited** or **proof-read**.
- The **presenting author** of an accepted abstract is expected to **register for and attend BSIR 2026**. **Poster presenters** need to **complete and pay their registration by 21st October 2026**, otherwise the poster will be withdrawn from the programme. Costs associated with the submission and presentation of an abstract are the responsibility of the presenter.
- **All authors** of an abstract must be **included at the time of submission**. Authors cannot be added afterwards.
- It is the responsibility of the submitter to make sure that all authors listed in the author block of an abstract agree with the publication of the abstract.
- Submitting multiple copies of the same abstract under different topics and/or types is not allowed.
- If an abstract is on clinical or experimental research in humans or animals or in case this is required by applicable law, the study has to be approved by the competent ethics committee.
- All received abstracts will undergo a double-blind peer reviewing process.
- **Notifications of acceptance or rejection** will be sent by email mid-June 2026.
- Please make sure that indicated email addresses are correct and that your mailbox allows emails from scientific@bsirmeeting.org

The following 2 abstract types can be submitted:

Scientific Abstract

Structure:	<ol style="list-style-type: none">1. Purpose2. Materials and methods3. Results4. Conclusion
Description:	Reporting about research projects, studies, trials, etc. Prospective studies will be rated higher than retrospective, comparative higher than single-arm, multi-centre higher than single centre.
Word limit:	250
Presentation format:	Oral presentation or electronic poster. Submitters may indicate their preferred presentation format. The final decision whether an abstract is accepted for oral presentation or as an electronic poster is up to the Scientific Programme Committee.

Educational Abstract

Structure:	<ol style="list-style-type: none">1. Learning objectives2. Background3. Clinical Findings/Procedure details4. Conclusion
